Student Firefighters (series 0099) are entitled to the same pay provisions as series 0081 Firefighters when their hours scheduled changes from 40 to 72 hours per week. The processes that were developed to manage the new Firefighter pay calcuations, do not recognize the employees as Firefighters because of the Occupational Series assigned. Extraordinary processing is necessary to ensure Student Firefighters are properly paid.

**WORKAROUND:**     **PERSONNEL** ☒      **PAYROLL** ☒

Personnel: Fax each SF-50 created on these employees to payroll.

Payroll: Manually enter the appropriate information including changing the occupational series from 0099 to 0081 upon receipt of each SF-50 to ensure the Student Firefighter is paid correctly, applying the new firefighter pay calculation processes.

DFAS TSOPE and CPMS must identify a permanent solution for this condition.
